

CATOCTIN CREEK

BECKY HARRIS

FOUNDER AND CHIEF DISTILLER

Becky Harris is the Founder and Chief Distiller of Catocтин Creek, a women-owned and operated craft distillery since 2009. As a chemical engineer, and President of the American Craft Spirits Association, Becky is regarded as one of the best distillers in the country, having won multiple international medals for her spirits. She is also a tireless advocate for the entire craft spirits industry.

Becky is known best for her single barrel 100% rye whisky, Roundstone Rye, which uses heritage grains from local farms and is 100% copper pot distilled, never sourced.

THE VIRGINIA RYE WHISKYSM

ROUNDSTONE

RYE WHISKY

Catocin Creek's flagship Roundstone Rye is a pre-Prohibition style, single-barrel whisky made from 100% local rye, potstillled in small batches. Roundstone Rye is a superb sipping whisky that blends the flavors of the oak barrel with the fresh grain-forward spirit and a 2018 Double Gold Medal winner at the New York World Wine and Spirits Competition.

TASTING NOTES:

Caramel, butter toffee, sweet vanilla, lemon, white pepper. Like banana nut bread in a bottle.

40 % ALC. BY VOL.

ROUNDSTONE

RYE WHISKY

The Roundstone Rye "92 Proof" is our *distillers edition*. The 92 Proof, single-barrel whisky is hand selected from the most interesting barrels in our rickhouse and released at a higher proof: specially curated for flavor while maintaining remarkable smoothness.

TASTING NOTES:

Rich and warming tones of butterscotch and maple, peppery spice throughout, leather and oak notes linger on the palate.

46 % ALC. BY VOL.

ROUNDSTONE

RYE WHISKY

Catocin Creek's *Cask Proof* Roundstone Rye is lauded across the globe. This single-barrel whisky has received double-gold and gold medals from London, New York, Chicago and San Francisco, as well as five stars from the prestigious *Pacult Spirit Journal*. Incredibly smooth at nearly 60%, this superb whisky should not be missed!

TASTING NOTES:

Sturdy aromas of dry rye cereal, black pepper, plum, orange, lead pencil, newly tanned leather, honey.

58 % ALC. BY VOL.

RABBLE ROUSER

RYE WHISKY

Bottled in Bond and distilled from 100% rye, the Rabble Rouser differs from its cousin, Roundstone Rye, in that it is distilled at a lower proof, allowing lots of earthy goodness from the grain to come through in the spirit. Our oldest offering to date!

TASTING NOTES:

Nectarines, clover honey, depparthy spice, forest, sandalwood, cigar tobacco, uncured bacon, a hint of mesquite, white peaches and peanuts.

50 % ALC. BY VOL.

APPLEJACK

APPLEJACK BRANDY

Catoctin Creek AppleJack is an extraordinary blend crafted from 100% heritage Virginia apples, paying homage to colonial-era methods while offering a fresh, vibrant expression of local fruit. It showcases notes of crisp apple, delicate baking spice, and a hint of vanilla—perfect for sipping neat, over ice, or in your favorite classic and contemporary cocktails.

This spirit is conveniently offered in both 750 mL and 1.0 L sizes.

TASTING NOTES:

Undeniably fresh real red apple with a fragrant bouquet that smells natural, unlike green “Jolly Rancher.”

40 % ALC. BY VOL.

BRAND NEW!

WATERSHED

AMERICAN GIN

While gins can be all over the map these days, Watershed Gin comes across with clear focus. It is incredibly balanced with a beautiful juniper nose and taste, and practically no alcohol harshness. An American Gin with a Virginia accent.

TASTING NOTES:

A spicy, woody and soft aroma. Licorice and anise are full-on in the first taste and big in the finish. Soft juniper. A good mouthfeel and full body.

46 % ALC. BY VOL.

HOT HONEY RYE

RYE WHISKY

Catoctin Creek's *Hot Honey Rye* is a meticulously crafted blend of 100% local Virginia rye, three types of local Virginia honey, and a touch of chili peppers. Hot Honey Rye is the perfect blend of whisky, sweetness and a hint of spice. Awaken your senses with this deliciously drinkable platinum award winning rye whisky!

TASTING NOTES:

Aroma of rye and rich honey, elegant whisky forward with a floral and nutty note of amber honey, and a spicy finish.

40 % ALC. BY VOL.

SHENANDOAH

AMERICAN GIN

Catoctin Creek's Shenandoah Gin draws inspiration from old Appalachian recipes, featuring natural flavors of ripe strawberry and pawpaw, and an attractive pink color from natural black carrot juice. The result is a vibrant, fruit-forward American Gin that balances tradition with a distinctly regional character, showcasing ingredients long celebrated in the Shenandoah and Appalachian regions.

TASTING NOTES:

Fresh strawberry and red fruit with tropical notes and a vanilla custard finish.

CATOCOTIN CREEK

BARREL PROGRAM

Ever dream of owning your own cask of fine Virginia whisky? Participate in the bottling of your own private, single cask expression. And when it's all done, you get to keep the cask! The Catocotin Creek® Barrel Program allows you to own a one of a kind whisky expression.

WHAT YOU GET

- Approximately 30 cases of whisky (180 bottles) of your own private, hand chosen stock
- VIP tour of the distillery
- Four 100 ml barrel samples to choose the flavor of your choice, specially chosen from our rickhouse
- One 30 gallon Catocotin Creek barrel for your location
- Alcohol proof of your choice (final price will vary by proof)
- Custom bottle label with your logo on it!
- Invitation to be part of the bottling process at the distillery! A great thing for staff training, team building, or special VIP customers.
- Product staff training available
- Line priced with the regular Roundstone portfolio, according to proof.

PRICING

Pricing varies depending on proof selected, available through select distributors. Wholesale pricing available for retailers. Please contact us if you are interested.

Each 30 gallon cask is estimated to yield approximately 180 bottles at 80 proof, or 165 bottles at 100 proof.
